Mary Hagan
Clerk of Council
Lakewood City Council
12650 Detroit Avenue
Lakewood, Ohio 44107

Dear Ms. Hagan:

In response to the September 8, 2010 letter by Councilmember Butler addressing the Members of Council, I am writing to apply for the interim position of Councilmember at Large. As a homeowner in Lakewood, I am deeply vested in the community and am very enthusiastic about the developments that have taken place in recent years.

My background in urban planning makes me an ideal fit for Council in the thriving city of Lakewood. I am a firm believer that the city government needs to continue to focus on the qualities that make Lakewood a wonderful place to live, work and start a business. Through my previous experience in working with various components of local government, I have an appreciation for the complexities surrounding seemingly simple issues.

The spotlight that the current administration has put on the safety of Lakewood needs to continue to be a priority. My degree in Public Safety Management, seven years experience as an auxiliary police officer, involvement as a Community Emergency Response Team (CERT) member, and certification in Crime Prevention Through Environmental Design (CPTED) will empower me to make decisions critical to the security of our community.

I am eager to have the opportunity to serve the citizens of Lakewood and to play a role in perpetuating the positive momentum of this diverse community that we call 'home.' I look forward to hearing from you to set up an interview.

Sincerely,

Kyle Krewson

KYLE KREWSON

OBJECTIVE

To serve the community of Lakewood in a way that promotes public safety, prolonged residency, sustainability, commercial development, government fiscal responsibility, and civic pride for the citizens of Lakewood.
